

April 2022

Makella Moore Harris, music educator, band director at W.E. Putnam Middle School, Aug. 2014-present
She is dedicated to finding any and all resources for her students to find life through the fine arts.

Makella goes above and beyond for our students. She provides opportunities outside regular school activities for our students. She works diligently with the more challenging students to offer them an outlet. She collaborates with community organizations to provide opportunities and resources.

Makella Moore Harris, Ed.S., is a native of Demopolis, Al. She received her Bachelor's of Science in Music Business from Alabama A&M University, Masters of Arts in Music Education from Alabama State University, Education Specialist in Instructional Leadership from the University of Montevallo, and is currently enrolled at Samford University to receive her Doctorate of Education in Educational and Organizational Leadership. I have been blessed to witness Makella's commitment to her students.
